

**31<sup>st</sup> Street Bridge Replacement Over the C&O Canal**  
**Notice of Short-Term Temporary Daytime Road Closure**  
**31<sup>st</sup> Street Between M Street, NW and South Street, NW**  
**Thursday, May 23, 2019**  
**10:00AM – 1:00PM**

**Project Information**

The 31<sup>st</sup> Street Bridge is located in Georgetown and spans the C&O Canal. The bridge is supported on stone masonry abutment walls and an 1867 cast iron multi-column pier. DDOT is replacing the structurally deficient, weight-limited bridge. In the process, the existing historic pier will be removed, restored, and reset.

**Temporary Short-Term Temporary Daytime Road Closure**

In order to prepare for the installation of the project's temporary pedestrian bridge, 31<sup>st</sup> Street - between M Street, NW and South Street, NW - will be closed between 10:00AM and 1:00PM, on Thursday, May 23, 2019. There will be flaggers onsite to facilitate traffic movement. Parking, local deliveries, and pedestrian and bike traffic will be maintained at all times.
